

## Full of Joy and Glory (1 Peter 1:3-8)

Lift rejoicing songs unto Christ our Lord and Savior  
Raised to give us life anew in the Father's favor  
Our inheritance is sure: treasures of eternity  
By the Father's pow'r secure  
Full of joy and glory

Let rejoicing songs repeat through our burning trials  
That same hand which stokes the heat  
Leads us through its fires  
When the Son of God appears  
We, the faithful, will receive  
Praise and honor for our tears  
Full of joy and glory

*Chorus: Rejoice and wonder  
With joy inexpressible filling our hearts  
And bless the Father  
In mercy He saved us, in power he raised us to life*

Let rejoicing songs be heard  
All throughout creation  
Offered to the sovereign Word  
Gracious in salvation  
Though we have not seen, we love  
Though we do not see, believe  
Lift rejoicing songs above  
Full of joy and glory

(Chorus)
