

## **Psalm 100**

All you who call the earth your home  
Let all Jehovah's songs be raised  
Come serve Him with your gladdest hearts  
Come to His feet with joyful praise

Our great Jehovah, He is God  
Creator and our Sovereign King  
His people, we are ever His  
And in His pastures we will feed

With thankfulness, swing wide the gates  
And cross the thresholds of His grace  
Come voice your thanks for within His house  
And bless Him for His glorious Name

How good and gracious is the Lord  
His steadfast love outlasts the world  
Our children, like the world's first born  
Will find His love firm as His word
