### VERSE 1

G/B            C  
All my life long I had panted  
G/D C    G/B Am G D  
For a drink from some cool spring,  
G/B            C  
That I hoped would quench the burning  
G/D C    G/B Am G D  
Of the thirst I    felt within

### PRE-CHORUS

Em    Bm7    Am7    Em  
Feeding on the filth around me  
Am    G/B        C  
Till my strength, it all was gone  
Em        Bm7    Am7        Em  
Longed my soul for something better  
Am C    Am    D  
Only still to hunger on

### CHORUS

    G C        Am    D  
But hallelujah, He has found me  
G        C        Am    D  
He who long my soul has craved  
    G C        Am    D  
He satisfies my every longing  
G        C        Am D G  
Through His blood I am now saved

## VERSE 2

G/B C

Well of water, ever springing,

G/D C G/B Am G D

Bread of life, so rich and free,

G/B C

Untold wealth that never faileth,

G/D C G/B Am G D

My Redeemer is to me

(Chorus X2)
