

## City of the King

### Verse 1

Everyone who saw it got his head out of the law  
And started weeping there as for an only son  
And promises that never fail had over hardened hearts prevailed  
With mercy that passed over none

### Chorus

*Joy for our pain will remain  
And we'll sing  
As we go down to the city of the King  
The City of the King, the City of the King*

### Verse 2

Outside of the city on the hillsides there are sitting there  
The watchmen of the people of the King  
The king is come, Thy will be done on earth as it is in heaven,  
Let us find ourselves an offering to bring

### (Chorus)

### Verse 3

A thousand years of peace and every crying eye will cease  
The lifted curse will leave us pure as we began  
And if we ever speak of pain, then to the children we'll explain  
The way it was before the war was won

### (Chorus)
